BAKERY & DELI

Everybody loves Mom's cooking
and Joan's is top tier.

At Joan's you'll find many of
Charlotte's favorite baked goods
including the cakes made famous
at the Rare Roots family
of restaurants.

Stop in for a slice and a coffee,
order a whole cake, grab lunch
from our deli menu, and take a
seat on our patio overlooking
the greenway with the best view
of Uptown Charlotte.

Because Joan says "eat!"
